

SUPPORT STARTER KIT

Presence delivered.

Less pressure. **More presence.**

b

THE CHALLENGE

Support often fades.
Not because people don't care, but because **they don't know how to stay.**

THE SOLUTION

The Support Starter Kit gives loved ones simple tools, meaningful prompts, and guided activities to help them show up when and how they are needed most..

We don't just help supporters show up.
We give patients a way to invite them in.

THE SUPPORT JOURNEY

DIAGNOSIS

Life changes in an instant.

SHARING THE NEWS

Share the news. Manage others' reactions

SUPPORT

Social network shows up in different ways. Sometimes unhelpful.

DROP-OFF ISOLATION

Life gets busy. Support fades. Isolation increases.

ONGOING EXPERIENCE

Adjust to "new normal" + seek peer support

RECONNECTION / GROWTH

Reconnect and rebuild a new life beyond cancer.

We're here for the ups, the downs, and everything in between.

WHAT'S INCLUDED

RESOURCES

Practical resources to support, plan, and navigate together.

AFFIRMATIONS

Keepsakes and reminders that foster empathy in everyday moments

ACTIVITIES

Guided activities to share together and create connection without pressure.

PROMPTS

Encourages meaningful conversations and emotional connection.

WELCOME KIT + 3 THEMED CONNECTION KITS TO SHARE

THE IMPACT

- Stronger connections.
- More consistent support.
- Better experiences for patients and the people who care about them.

We're not just delivering kits, we're strengthening connections!

"The affirmations helped lift me up and feel less alone."

"The resources helped me feel closer to family and friends."

Better support

Better outcomes
